SUBJECT: ELECTRICAL - CHANGES IN BATHING C133

ATTACHMENTS:

SUPPLEMENTARY INSTRUCTION:

In BATHING C133, Electrical Power plan was mistakenly laid out over an old base plan, therefore the outlets, etc. had to be moved in order to line up with current base plan (which has an added whirlpool tub).
A new outlet and circuit was added so that both whirlpool tubs will be serviced.
See attached Sheets E202.1 and E703.1
